Dear Texas Historical Commission:

Debi Lamb and Penguin Suits have played an important part in the recent successes of Boerne Community Theatre.

Debi has been a member of the BCT Governing Board for several years. In that capacity she has helped put the theatre's name before the Boerne public. She has also donated her time and has given financial support to the theatre.

Debi chaired our very successful Mardi Gras Gala in February. It raised some \$6,000 after expenses—a significant accomplishment considering current economic conditions.

Penguin Suits has designed and printed many beautiful BCT mailing and marketing pieces. It currently is working with BCT staff to develop our first online ticketing program.

On behalf of the BCT board, I'm happy to recommend Debi Lamb's Penguin Suits as an imaginative, creative marketing company.

Sincerely,

Anne Keever Cannon
President
